RAISES JAUNDICE AWARENESS

June 1, 2010 – Pulley, Watson, King & Lischer is sponsoring the Carolina Parent Baby Fair on June 19, 2010 from 10 a.m. to 1 p.m. at the American Institute of Healthcare & Fitness in Raleigh. Admission to the Carolina Parent Baby Fair is free of charge.

Pulley, Watson, King & Lischer, P.A. is a personal injury law firm that represents families whose children have suffered preventable brain damage from untreated newborn jaundice. In addition to the Pulley, Watson, King & Lischer exhibit, the Carolina Parent Baby Fair will feature a variety of information, demonstrations and give-a-ways from medical professionals and baby-related vendors to help acquaint expectant parents with the resources available for their new arrivals.

Established in 1982, Pulley, Watson, King & Lischer, P.A., provides innovative, effective representation to injured individuals and families, and legal expertise in business and commercial matters.
