FOR IMMEDIATE RELEASE

**PULLEY, WATSON, KING & LISCHER's 5th ANNUAL
CHRISTMAS FOR THE TROOPS**

December 23, 2009 – Thanks to the generosity of the Durham community, 17 boxes filled with 280 stockings were shipped December 4th to two military units overseas.

Sponsored by Pulley, Watson, King & Lischer, P.A., two units were adopted for the 5th Annual Christmas Charity Event: Army Company HHC, 2nd Battalion, 504th Parachute Infantry Regiment, 82nd Airborne Division from Fort Bragg, deployed in Iraq; and a Marine Special Operations Forces Unit from Camp Lejeune, deployed in Afghanistan. Each troop will receive his or her own personal stocking filled with a variety of useful items in time for Christmas.

Over 45 guests attended the firm's Stocking Stuffing Party on Dec. 3rd to help prepare the stockings to be shipped the next day to Iraq and Afghanistan. This is a favorite event of Richard Watson's, Partner of the firm, who served as a Lieutenant in the US Army in the 199th Light Infantry Brigade in Vietnam. Richard says he was overwhelmed with the response from the community, generously giving of their time and money. "We not only met but exceeded our goal again this year. We couldn't have completed our mission to reach out to our military heroes without the extraordinary support of our Durham friends."

In staying with the firm's efforts to increase community awareness of brain injury, and the firm's commitment to support the men and women in uniform, Pulley Watson has donated the additional funds collected to The Brain Injury Association of North Carolina (BIANC). The donation will help launch a new local day program service in the Triangle area supporting military service members with traumatic brain injuries.

Pulley, Watson, King & Lischer, P.A., established in 1982, provides innovative, effective representation to injured individuals and families, and legal expertise in business and commercial matters.
